Integrated Curriculum Committee
Bylaws and Rules of Procedure

1.0 ICC INSTITUTIONAL LOCATION AND RELATIONSHIPS TO THE UNIVERSITY SENATE & CAMPUS COMMUNITIES

The Integrated Curriculum Committee (ICC) is a standing committee of the University Senate of Humboldt State University.

2.0 PURPOSE OF THE INTEGRATED CURRICULUM COMMITTEE

The HSU University Senate charges the ICC with the careful consideration and deliberation of all academic planning and curriculum matters. It is the expectation of the University Senate that ICC members work collaboratively and act in the best interest of the university-wide community and in consideration of the HSU mission and strategic plan. The University Senate will accept most ICC recommendations without further deliberation; however, the University Senate reserves the right to deliberate any recommendation.

The University Senate further notes that while the ICC is charged with developing and applying academic planning and curricular task processes, there are important elements of college-wide and inter-college collaboration that are not the focus of the ICC. The University Senate encourages the appropriate bodies (e.g., college councils of chairs and cross-college affinity groups) to structure regular conversations to facilitate collaboration and sharing of ideas regarding change. These conversations should be conceived as mechanisms that foster creativity, sharing, and collaboration. The ICC as outlined in this constitution will be the only campus body with the authority to forward academic planning and curriculum proposals to the University Senate which when approved by Senate will be forwarded to the Provost’s office.

5.0 RELATED SENATE COMMITTEE – ACADEMIC POLICIES COMMITTEE

The Academic Policies Committee (APC) is a standing committee of the University Senate of Humboldt State. APC membership is defined in the University Senate’s Bylaws. The APC Chair serves as a member of the ICC (but not as a member of any ICC subcommittee). As the APC develops policies, the draft documents are brought to the ICC for suggestions.

6.0 NOMINATIONS, ELECTIONS, AND QUALIFICATIONS
The ICC Chair and the five (6) other elected ICC faculty members will be elected by the General Faculty. The Appointments and Elections Committee of the University Senate will conduct the nomination and election processes in accordance with the provisions of General Faculty Constitution and the University Senate Bylaws. Candidates for ICC Chair must be faculty with previous experience serving on the ICC, the University Senate, the Academic Policies Committee, the GEAR Committee, or as a department chair. The six (6) elected ICC faculty members are elected by the General Faculty. The Appointments and Elections Committee of the University Senate will conduct all nomination and election processes in accordance with the provisions of General Faculty Constitution and
the University Senate Bylaws. The faculty members elected by the General Faculty will
serve staggered three-year terms so that ICC subcommittees will include at least two
faculty members with previous experience serving on the subcommittee. When a
faculty member leaves before term completion, the body will follow the process for
filling vacancies that occur between regular elections, as outlined in the General Faculty
Constitution and University Senate Bylaws.

The Chair of the Course and Degree Changes Subcommittee will be selected annually by
the membership of the subcommittee. The chair of the GEAR Curriculum and
Assessment Committee will be elected directly to that position as described above.

A department chair representative from each college will be elected by the college
Council of Chairs for a two-year term on the ICC Academic Master Planning Committee.

A Graduate Council Faculty Representative will be elected by Graduate Council to serve
a one-year term.

7.0 MEETING SCHEDULES
The ICC and its subcommittees meet during a two-hour time block designated prior to
the scheduling of fall classes. There is no expectation for meetings outside this time
block. The Chair of the ICC may cancel meetings of the ICC. The Academic Policies
Committee and the GEAR Curriculum and Assessment Subcommittee will meet at times
other than the regularly scheduled ICC meeting times.

8.0 AGENDA CONSTRUCTION AND TASK ASSIGNMENT
All academic planning, curricular change proposals, and policy items shall be submitted
to the ICC via the Academic Programs Office. The ICC Chair builds the agenda for each
ICC meeting in consultation with the Vice Provost and assisted administratively by the
Curriculum Coordinator from the Office of Academic Programs. The Curriculum
Coordinator will screen materials submitted and return incomplete proposals to the
originating unit. The ICC weekly agenda is posted on the Web and built around the
following four areas:

8.1 Consent Calendar
The consent calendar provides a mechanism to quickly process routine items under one
umbrella. The process is intended to save time, while still creating a mechanism for
review of even simple items: Any member of the ICC may move that an item be
removed from the Consent Calendar and placed on the Assignment Action Calendar. If
there are no objections to items on the Consent Calendar, the slate is passed on to the
University Senate. Consent Calendar items include the following:

- Deleting a course from the catalog
- Requesting a change in course number
- Requesting a change in course title
- Requesting a change in grading mode
• Catalog copy corrections or changes not related to curricular proposals

8.2 Assignment Action Calendar
The assignment action calendar is for new items for the ICC that were not appropriate for the Consent Calendar and require Subcommittee or Committee attention (Table 1).

8.3 Voting Action Calendar
The voting action calendar includes items requested by a Subcommittee, the Academic Policies Committee, or the GEAR Curriculum and Assessment Committee for ICC decision. In some cases, the ICC may agree that immediate deliberations of assignment action calendar items were sufficient and may immediately move an item to the Voting Action Calendar.

8.4 Information Calendar
This calendar provides a mechanism for ICC members to share updates on academic planning and curricular work in progress.

9.0 DECISION-MAKING PROCESSES AND VOTING
The ICC is a consensus-building body facilitated by the Chair of the ICC. The ICC makes recommendations to the University Senate. In cases where more than one ICC member is in disagreement on an item, the Chair of the ICC will call for a vote. All members of the ICC, except the Vice Provost, may vote.

The ICC Chair in consultation with the ICC will assign items to a subcommittee lead or committee as noted above, though a Subcommittee without work may assist another Subcommittee. As items are assigned as part of the ICC general meeting, ICC members may provide immediate input and raise questions. ICC members are not expected in preparation for the meeting to read all materials passing through the body, though Deans (or designees) are expected to more carefully monitor items central to their college. In addition, College Chair representatives communicate with their respective bodies regarding items of particular salience to their college.

The subcommittee or committee member assigned to lead an item through the ICC process will note questions and input raised by the ICC at introduction of the item. They also compile the formal record on a proposal based on subcommittee or committee processes and report formats or templates. This formal record provides a mechanism for answering possible future questions regarding proposal recommendations and rationale. While one subcommittee/committee member leads any inquiry pertaining to a proposal, all subcommittee members are expected to carefully read materials assigned to their group and contribute to any deliberations. In the case of items from the Academic Policies Committee or the GEAR Curriculum and Assessment subcommittee, items will always be brought to the ICC by the committee chair.

When a record of the recommendation is ready, the subcommittee/committee chair requests that the ICC Chair schedule the item on the Voting Action Calendar. The subcommittee lead reports that item to the ICC. If critical new information is introduced during voting action item discussion, the lead is responsible for updating the record and delivering a final e-copy of any required record to the Curriculum Coordinator.

In the event that the ICC concludes that a curriculum proposal cannot be approved, that information will be communicated to the University Senate as an information item. Proposers of denied curriculum proposals have the right to appeal to the University Senate.

The Curriculum Coordinator will forward to the University Senate office the list of items and related ICC recommendations for consideration by the University Senate.

10.0 REPORTING ITEMS OUT OF ICC
The Chair of the ICC presents items for the University Senate agenda to the University Senate Executive Committee without deliberation. The Executive Committee, following recommendations of the Chair of the ICC, schedules ICC items on one of two University Senate meeting calendars.

10.1 Consent Calendar of the University Senate
The ICC will schedule most items on this calendar.

10.2 Business Calendar of the University Senate
Policy resolutions and Academic Master Plan changes will appear on this calendar.

11.0 POST ICC RECOMMENDATION PROCESSES
Any member of the University Senate may move that an item be removed from the Consent Calendar and placed on the Business Calendar where it will be open for deliberation. As a University Senate courtesy, a University Senator will move an item off the University Senate Consent Calendar and onto the University Senate Business Calendar when asked to do so by a member of the university community. The University Senate makes recommendations to the Provost or designee on academic planning, academic policy, and curricular decisions. The Provost or designee considers the University Senate’s recommendations. When appropriate, the Provost may consult with other Vice Presidents and/or the President before making a decision.

12.0 ICC BYLAWS AND RULES OF PROCEDURE REVIEW CHANGES
Changes to this set of bylaws and rules of procedure will be vetted through the ICC and introduced to the University Senate for consideration.

13.0 RELEASE TIME
The University Senate will negotiate prior to elections the release time for ICC faculty members whose ICC-related workload requires it.
